FOR YOUR GUIDANCE

This is a Mechanical and Electrical breakdown cover designed to assist towards the cost of repairs or replacement of parts covered as listed in this document. Warranty service partner will only accept the responsibility for repair or replacement as per the terms and conditions of this document.

I) WARRANTY OBLIGATION

If any defect or defects should be found in your vehicle within the terms stipulated here in after, the only obligation of the service partner is to repair or replace at his sole discretion any part shown to be defective with a new part or the equivalent at no cost to the owner for parts and/or labour, when the said service partner acknowledges that such a defect is attributable to Mechanical and Electrical breakdown as defined in this warranty.

II) COMMENCEMENT AND DURATION OF WARRANTY

This warranty will commence immediately (from the date of sale of Warranty)

The term of warranty period shall be as mentioned in the Warranty Registration Form.

HOW TO MAKE A CLAIM

In the event of the occurrence of the breakdown the owner must:

- I) Immediately take all steps necessary to minimize the extent of loss.
- II) Depending on whether the vehicle is in a condition enabling it to be driven, the owner shall drive it or have it towed (at their own cost), without delay, to the nearest Service partner to effect repair according to the requirements and to notify the service partner of this warranty booklet/registration number.
- III) Authorize the service partner to establish the cause of break down.
- IV) Undertake to pay the costs of dismantling and repairing the vehicle if the cause of the break down is not covered by warranty. The owner is responsible for paying for any other work, which the owner asks the service partner to carry out.
- V) The service record and service bills must be made available to the service partner if required by them.

Failure to comply with these formalities and conditions may lead to a refusal to pay the claim

SERVICING REQUIREMENTS

I. In order to maintain the validity of this warranty, the vehicle must be serviced by a service partner in accordance with the recommendations as mentioned below:

1st Paid Service – within 6 months or 7,500 kms. from the date of start of Warranty (whichever is earlier)

2nd Paid Service – within 12 months or 15,000 kms. from the last service (whichever is earlier)

Note: Paid Service must consist of:

- Changing Engine Oil & Filter
- Checking Oil levels in Gear Box and Differential, Coolant level and Top Up where necessary

II. Service Relaxation

Service effected following more than 500 kms. or 30 days from the recommended service interval shall invalidate this warranty. This allowance is to facilitate the vehicle owner to make sure services are completed at correct intervals.

III. The owner must retain all the detailed servicing bills supplied by Warranty Service Partner.

IV. The servicing record shall be completed by Warranty service partner when services are completed and the record shall be retained by the owner as approved, in event of the claim.

The owner shall effect at his cost, all modifications and repairs necessary to avoid a claim, if a claim is likely to occur in the absence of the above.

TERMS & CONDITIONS

1. Vehicles, which are up to 10 years old or run less than 1,00,000 km. from the date of first sale, are eligible for this warranty product and the vehicle sale invoice shall be the conclusive proof of same.
2. Vehicles to undergo inspection before issuance of warranty. Previous history/odometer reading of the vehicle will not be the basis of any claim rejection, warranty will be issued on the basis of the actual odometer reading showing at the time of inspection.
3. Vehicles owned, temporarily or otherwise, by a business formed for the purpose of selling or servicing motor vehicles are excluded.
4. Warranty has no surrender value, no refund of cost is available, and it cannot be cancelled.
5. Services must be completed at the correct time/s and mileage/s. The beneficiary must retain all the service invoices and relevant receipts. Failure to service the vehicle in accordance with the recommended service schedule will render the Warranty invalid.
6. The mileage quoted in no way guarantees the true distances covered by vehicle and is indicated only as a guide to when servicing is due. Failure to maintain the odometer, mileage recorder in working order or disconnecting it or tampering with it will invalidate Warranty.

7. No liability will be accepted for damage caused by neglect, corrosion, intrusion of foreign or deleterious matter, lack of servicing, overheating, freezing or abuse by the continued use of vehicle after a fault has become evident or for consequential loss on the failure of parts not covered by Warranty.
8. No liability will be accepted for any failure due to wear and tear, components incorrectly fitted, or faulty or defective at the time of sale, or faulty manufacturer/design and alterations/modifications from the manufacturer's specification.
9. If it shall be established following the receipt of the claim that the conditions of Warranty as laid down have not been fully complied with, then it is hereby expressly agreed and declared that the Extended Warranty Dealer / Franchise shall be released from all liability for that particular claim.
10. All Disputes / differences regarding claim settlement, arising for whatsoever reason shall be subject to jurisdiction of New Delhi courts only.
